

**INTERNATIONAL CODE COUNCIL**

**CITY OF LOS ANGELES**  
**Fire Rebuild Self-Certification Program**  
**GIBBS Architects – Kurt Gibbs, AIA, CA #22275**

GIBBS Architects is proud to participate in the City of Los Angeles Fire Rebuild Program, offering expedited architectural services through the Self-Certification process in accordance with nationally recognized standards, including those established by the **International Code Council (ICC)**.

---

**Official Self-Certification Statement**

Kurt Gibbs, AIA (California Architect License #22275), is a registered and licensed architect in good standing with the State of California and is authorized to participate in the City of Los Angeles Department of Building and Safety (LADBS) Self-Certification Program.

All plans and specifications prepared by GIBBS Architects are developed in compliance with applicable local and state regulations, including the **Los Angeles Municipal Code**, as well as the **International Building Code (IBC)** and other relevant model codes published by the **International Code Council (ICC)**, as adopted and amended by the State of California and the City of Los Angeles.

Through participation in this program, GIBBS Architects certifies that submitted construction documents conform to these applicable codes and standards, enabling an expedited plan check process to support timely rebuilding efforts following fire-related losses.
